

Share our cooking with someone special with a Restaurant Embat gift voucher.

Our menu to share costs €45 per person —€90 for two—, excluding drinks. You can choose a voucher for this amount or increase it, for example to €110 or €130, to provide an additional amount towards drinks.

To request a voucher, please use our contact form and tell us the amount you would like to give and the recipient's name. We will reply with our bank details so you can pay by bank transfer.

Then send us your payment confirmation. Once we have confirmed receipt of the payment, we will email you a personalised gift voucher, ready to print.

The gift voucher is valid for one year from the date of issue. To redeem it, please book a table and mention that you have a gift voucher.
